- One six-foot draped table with three chairs

- A uniform, one-line card with your company's name

- Company name, logo, and brief description included in exhibitor roster on mobile conference app

- Meeting registration for up to three (3) company representatives, including conference materials and meal tickets

Additional Registrants

If desired, three company representatives *in addition to the three included with the exhibit fee* may register for the meeting at the non-member rate. These additional registrants should submit an individual registration form (print or online; available in late December), and write "Tech Tables" and the company name on the form.

Any additional representatives beyond the six described above are eligible to register **only** if they meet attendance requirements (must be a veterinarian, an AASV member, or an invited speaker). Standard fees apply.

Table Assignments

Preferential table sites are reserved for members of the AASV 2017 Industry Support Council. All other tables are assigned on an equitable basis.

Set-Up

Monday, February 27, 7:00 - 9:00 am

As in the past, material presented at the table is limited to scientific, educational information that will best inform swine veterinarians about your company's products and services. Booths, overhead or stand-up banners, and large tabletop displays are not permitted, nor is selling of product from the tables. This modest approach to the exhibit provides a level playing field for all participants and allow the event to focus on education and information, in keeping with the nature of the meeting.

The registration form and \$2100 payment must be received by **October 31, 2016** to ensure the listing of your company name in the AASV meeting program book. Register online at <http://ecom.aasv.org/tech> or submit registration form with payment to:
