Conference registration for three (3) company representatives and option to register up to 3 more

Company name, logo, and brief description included in exhibitor roster in the mobile conference app

Opportunity to participate in Industrial Partners oral and poster sessions (submissions due September 30)

Additional Registrants

If desired, up to three more company representatives *in addition to the three included with the exhibit fee* may register for the meeting at the non-member/exhibitor rate. Any additional representatives beyond the six described here are eligible to register **only** if they meet attendance requirements: that is, they must be a veterinarian, an AASV member, or an invited speaker. Standard fees apply.

Table Assignments

Preferential table sites are assigned to AASV e-Letter sponsors and members of the JSHAP 2023 Industry Support Council.

A drawing is conducted to allocate the remaining tables on an equitable basis.

Set-Up

Monday, March 6, 7:00 - 9:00 am

Material presented at the table is limited to scientific, educational information that will best inform swine veterinarians about your company's products and services. Exhibitors are welcome to use their own table drape. Overhead or vertical banners, booth and tabletop displays, and large monitors are not permitted, nor is selling of product. Items on the table should be no more than 18" high. This modest approach to the commercial trade show provides a level playing field for all participants and allows the event to focus on education, information, and networking with attendees, in keeping with the nature of the meeting.

Registration

The registration form and \$3000 payment must be received by **September 30, 2022** to ensure eligibility to participate in the Industrial Partners sessions and the listing of your company name in the AASV meeting program.
