Exhibit Fee

The \$1750 table fee includes:

- One six-foot draped table with three chairs
- A uniform, one-line card with your company's name
- Meeting registration for up to three (3) company representatives, including conference materials and meal tickets.

Additional Registrants

Three company representatives *in addition to the three included in the exhibit fee* may register for the meeting at the non-member rate. These additional registrants should submit an individual registration form (available in late December), and write “Tech Tables” and the company name on the form.

Any additional representatives beyond the six described above are eligible to register **only** if they meet attendance requirements (must be a veterinarian, an AASV member, or an invited speaker). Standard fees apply.

Table Assignments

Table assignments will be provided at the meeting in the registration materials of the company representatives. Preferential table sites are reserved for members of the AASV 2009 Industry Support Council. All other tables are assigned on an equitable basis.

Set-Up

Monday, March 9, 7:00 – 9:00 am

As in the past, material presented at the table is limited to scientific, educational information that will best inform swine veterinarians about your company's products and services. Booths, overhead or stand-up banners, and large tabletop displays are not permitted, nor is selling of product from the tables. This modest approach to the exhibit provides a level playing field for all participants and allows the event to focus on education and information, in keeping with the nature of the meeting.

Registration

The application form and \$1750 payment must be received by **November 7, 2008** to ensure the listing of your company name in the AASV meeting program book. Submit application to:
